

Department of Youth Welfare

It is great pleasure to the report of the academic year 2023-2024. It may not be an exaggeration if I mention this year is a year of achievements. First of all I express my hearty thanks to our magnanimous management for their annual contribution towards the better functioning of the department.

Cultural Team-2023-2024

An efficient cultural team with students from various sections of the college was formed. The talented students were quite interested in joining the team. The number of team students mounted to 33 this year. They bagged prizes wherever they went. The cultural team of our college has gained its own state-wide reputation in the field of art and stage events.
